Flight and Hotel Suggestions For logistical reasons, this program includes flight and hotel suggestions. The costs for flights and hotels are not included in the participation fee. Please make your bookings through your preferred travel agency or independently. We have reserved a block of rooms at the suggested hotel and can provide you with further information upon request. Bookings should be made through your preferred travel agency or independently. If you choose a hotel other than the one, we have suggested, you will need to independently arrange the logistical aspects necessary for participating in the event program.

Tourist Visa in the UAE Austrian and other Schengen country nationals can enter the UAE visa-free with a passport that is valid for at least 6 months upon departure and can stay in the country for 90 days within 180 days without the possibility of extension.

We ask participants who have a different citizenship to inquire about entry arrangements. This can be done either through the travel agency or the UAE embassy in the home country.

Arrival to the UAE Please note a time difference of 3 hours between Austria and the UAE (Vienna 20:05 = Dubai 23:05).
